Budgeting for your Event Rental

What is included in your rental?

- **Your selected event/meeting space(s)**
- **Event management staff support in coordinating your request** – our team will support you along the way in your planning efforts, make sure you have your bases covered (you know what approvals you need to get), and work with all of our partners in our facilities and across grounds to ensure you have what you requested for your event.
- **Standard room/event furniture for your selected space(s)**
 - Meeting Rooms have fixed setups
 - Event Spaces have variable setups – you will be able to select from our list of standard setups for your space(s)
 - [See standard furniture for each space here](#)
- **Standard Audio-Visual (AV) equipment for your selected space(s)** - [see standard AV for each space here.](#)
- **AV Setup Assistance** - Building staff will assist in helping you setup your AV to start your meeting and will be available to troubleshoot if you experience issues – they are not in the event space for the duration of your meeting/event.
- **Standard housekeeping** – Cleaning before and after your event is covered, however substantial trash/cleaning may result in additional cleaning costs.

Want to take your event to the next level (what is not included)?

- **Custom setups in event spaces** – our staff can create diagrams of event layouts and setup your event to meet your needs exactly. Pricing varies, check with your event manager for pricing on your event.
- **Non-standard event equipment** – we have more than tables and chairs, see list below for all equipment available.
- **Non-Standard Audio-Visual (AV) equipment** – we offer more than just projectors/TVs and a microphone in the room – see our full list of available AV services below.
- **Additional housekeeping** – bringing in a lot of food/vendors/guests/garbage? Plan to have housekeeping onsite to pull trash throughout your event or make sure the restrooms get extra cleanings.
- **Early/After-Hours Access** – with approval and at an hourly rate, you can keep our facilities open when we are normally closed to extended your event times.
- **Fees** – ok, not exactly “next level” - but late changes, late cancellations, and no-shows fees are also not included in our standard rates.
